

Environmental Science Degree Program
The University of Texas at Austin

Approved Geology Track Water & Climate Courses Highlighted courses offered Fall 2021

GEO 338J Marine Geology

GEO 347D Global Warming

GEO 347G Climate System Modeling

GEO 338W Paleoclimate

GEO 376E Environmental Isotope Geochemistry

GEO 476K Groundwater Hydrology

GEO 476M Aqueous Geochemistry

GEO 376S Physical Hydrology

GEO 377P Physical Climatology
