A Taste for the Beautiful
Dr. Michael J. Ryan
Friday, November 30, 2018

Cool Activities (JGB)
5:30 PM – 6:40 PM

Austin Zoo
Antlers, Antennae, and Feathers...Oh, My! Learn about Madagascar hissing cockroaches and desert millipedes.

Austin Bat Refuge
See videos of bats and live native bat species.

Jha Lab - Integrative Biology Dept. (UT)
Learn about native bee conservation with microscopes and crafts.

Children’s Research Center (UT)
Make a tangram puzzle with the Children’s Research Center!

STEMed Labs
Explore symmetry in nature and try designing a fractal.

STEM Scouts
See what STEM Scouts are about and explore hands-on activities.

Texas Memorial Museum (UT)
Discover Handsome Headgear: Exploring Horns and Antlers.

Special Events
Tiny Tails To You (starts at 5:45 pm)
Meet and greet guinea pigs, bunnies, hedgehogs, baby chicks, a tortoise, a lizard, and a miniature chicken. Adults and youth welcome.

UT Co-op & Book Signing (6:00 - 6:30)
Buy a copy of "A Taste for the Beautiful" from the UT Co-Op. Dr. Ryan will be available to sign books. Only debit and credit cards are accepted.

Check-in is from 5:30 - 6:40 inside at JGB or SAC.
Please bring Eventbrite ticket. You must be at the ballroom (2nd Floor of SAC) by 6:50 p.m. or you may lose your seat.
RECEIVE A STAMP FOR EACH
COOL ACTIVITY YOU VISIT.

Get FIVE STAMPS and receive a giveaway at the check-in tables.
