To transfer, a student with 45 semester hours of college credit or more must have a UT grade point average of 2.0 or better. Changes between colleges or schools must be completed by the end of the 8th class day, or the 4th class day of a summer term, to be effective for that semester or term. *See chapter 3 of the General Information catalog for regulations governing transfer within the university.*

adviser's approval   date

_____   _____

final approval by academic **dean**   date

_____   _____

final approval by academic **dean**   date

*If major changes are within more than one college or school, both approved signatures are required.

Other Offices

Undergraduate students transferring to a degree-seeking program from a non-degree-seeking program must have the admissions director's approval.

Graduate students not previously admitted as undergraduates may transfer from the Graduate School to an undergraduate college or school if they meet the general conditions for transfer, satisfy admission requirements for that college or school, and have the approval of the director of admissions.
