

# Extreme Environments!

# HOT!

- Hot springs
- Deep sea vents!

# ACIDIC!

- Strong acids can burn right through things!
- Acid is what makes lemons taste so tart

- Hot springs

# SALTY!

- The Great Salt Lake
- Some lakes are so salty that you can LAY DOWN IN THEM!

# COLD!

- Polar ice caps
- Glaciers

# RADIATION!

- Mountain tops
- SPACE!
