

Environmental Science Degree Program  
The University of Texas at Austin

## Approved Geology Track Water & Climate Courses

Highlighted courses offered Spring 2025

**GEO 338J** (Marine Geology)

**GEO 347D** (Global Warming)

**GEO 347G** (Climate System Modeling)

**GEO 371T** (Paleoclimatology)

**GEO 376E** (Environmental Isotope Geochemistry)

**GEO 476K** (Groundwater Hydrology)

**GEO 476M** (Aqueous Geochemistry)

**GEO 376S** (Physical Hydrology)

**GEO 377P** (Physical Climatology)
